

Line card : Pressure, Level and Flow Controls

Product List • Product List • Product List • Product List

 <ul style="list-style-type: none"> • Temperature & process controls • Digital indicators • Thermocouples & RTD'S 	 <ul style="list-style-type: none"> • Position indicators • Level switches for bulk solids • Proximity detectors 	 <ul style="list-style-type: none"> • Magnehelic differential pressure gauges • Photohelic differential pressure indicator/switches • Pressure, Flow, Temperature & Level switches/Transmitters 	 <ul style="list-style-type: none"> • Pressure switches • Level switches • Temperature switches
 <ul style="list-style-type: none"> • Heating/Cooling controls • Level switches 	 <ul style="list-style-type: none"> • Signal conditioners • Transmitters & alarms 	 <ul style="list-style-type: none"> • Pressure gauges • Bi-Metal Thermometers • Tridicators 	 <ul style="list-style-type: none"> • Pressure gauges • Needle valves • Bi-metal thermometers • Ball valves
 <ul style="list-style-type: none"> • Spark detection & Extinguishing systems 	 <ul style="list-style-type: none"> • Flowmeters • Flow controllers 	 <ul style="list-style-type: none"> • Pressure & vacuum switches • Level switches 	  <ul style="list-style-type: none"> • Pressure regulators • Volume boosters • I/P transducers
 <ul style="list-style-type: none"> • Process indicators • Temperature controllers • Scanners & annunciators 	 <ul style="list-style-type: none"> • Digital pressure gauges with switches and/or transmitter output 	 <ul style="list-style-type: none"> • Compressed air filters • Filters for liquid & gas 	 <ul style="list-style-type: none"> • Level & flow switches • Level indicators & transmitters
 <ul style="list-style-type: none"> • "In Line" Flow meters • Flow transmitters • Flow alarms 	 <ul style="list-style-type: none"> • Thermometers • Hygrometers • Timers • Weather Instruments 	 <ul style="list-style-type: none"> • Hand-held instruments: temperature & humidity, water quality, air flow & velocity, clamp on meters, sound & light meters 	 <ul style="list-style-type: none"> • Relative humidity, temperature and barometric pressure transmitters • Transmitters with ethernet connection for server rooms
 <ul style="list-style-type: none"> • Data Loggers: Temperature, Rh, pressure, AC process, pulse, power quality, CO2 inputs 	 <ul style="list-style-type: none"> • Heating / cooling controls • Pressure controllers • Temperature and relative humidity controllers 	 <ul style="list-style-type: none"> • Differential pressure, pressure, humidity & temperature transmitters • Electropneumatic transducer (I/P) • Maverick Sensor Appliance 	 <ul style="list-style-type: none"> • Level transmitters, switches, monitors & controllers • Flow meters, switches & monitors • Process displays
